**From President Joy Miedecke...**

**MAGA – what does it mean?** Yesterday, I opened my email to find a reference made by Representative Raul Ruiz on KESQ regarding our new Speaker of the House, Mike Johnson. Among the many despicable things said about Republicans in Congress and the Republican Party in general, he insinuated Speaker Johnson’s election cements the extreme MAGA takeover of the House GOP. Being furious with those and other comments, I called the office of the Congressman and expressed my opinion that the Congressman was woefully misinformed. The “MAGA” movement is to Make American Great Again and does not encompass any one person, place, or thing; it is the idealism to save our Country and return it to what it once was! Apparently, an idea lost on the Congressman. Let this be a lesson to all of us – when people ask you if you are “MAGA”, you need to say, “Yes, I absolutely want to make America Great Again” and I expect those whom I elect to do the same thing.

So many times, this past year, we have seen officials whom we elected and expected to be our ally disappoint us when they arrive in Sacramento only to see them vote like Democrats. We are in a world of hurt here. We must be certain that the people we elect understand the reason why we elected them. Many say California will never be RED again. I believe that if we let our elected officials know what we expect from them when they represent us, even if it’s a losing battle, eventually with God on our side we will start to see results. This is what our new Speaker of the House stated: “We must elect more leaders who make decisions based on American values with an emphasis on God, family and country. It’s the only way to preserve the blessing we have been given here.”

This is a time like none other.

**NO RHINESTONES YET!  
A SAFETY WARNING**  
by Marilyn Morsch

A single woman living in Sun City Palm Desert fell in her shower and laid there for 2 days with several broken bones. Finally someone she knew got Security to open her door somehow. This was shared in a email that went out to become a warning to all women to become active in protecting themselves.

I told my husband that I wanted one of those things you wear around your neck in the shower and and other places. Even though I am married and he is around most of the time, I shower after he leaves for golf.

He immediately got on the computer and found several companies and I picked what I wanted from their pictures. I really wanted one with diamonds but not on their list. It came the same day and I wear it all day. Some people say "Use your phone." That won't work if you are unconscious.

I am presently on a walker awaiting a knee replacement but who knows when that will happen. I still could fall with the walker and could land on my head.

It was worth a few hours of research for my husband ( yes, I could have done that also, it was so easy but he wants to feel needed).

I am not selling anything so you can call me and I will share my research with you.

**ALERT TO MEMBERS!**

As we all know, events in the world are getting kind of scary and we should pay attention, not only to who we vote for, but we should follow what congress is doing and listen to the TRUTH about what is happening all around the world.

I have asked our member, Frank Di Salvo, to give me a list of things we should have on hand in our homes and cars. He is somewhat of an expert in this kind of thing, and I can tell you he is well equipped.

Toilet paper - Lots	PLENTY OF WATER BOTTLES
Paper Towels	Water Purification, Alexa Put, Gravity Feed (Online)
Band-aids	Ask Dr. for Zpac to have on hand
Tourniquets	Propane Stove, extra tanks
Keep Car Gassed Up	Voyager solar powered radio
Rubbing Alcohol	Walkie Talkies
Hydrogen Peroxide	Gun and ammo
Tylenol	Perscriptions
Coffee	25 YEARS FOOD FROM "My Patriot Supply" (Online)
Lighters from 99 Cent Store	Dog Food

Here is the list...Please **DO NOT TAKE THIS LIGHTLY!**  
Not trying to worry you...better to be smart than not!

**THE DEATH OR REBIRTH OF A NATION**

At the turn of the last century, when the wealthiest families joined together and created the Federal Reserve, they created an organization so wealthy and powerful they controlled the world. Sadly, they worked for evil instead of good. We always assumed the Federal Reserve is a government institution. It is not. We always assumed that the IRS is a government institution. It is not. We always assumed that the United Nations was an institution created to help humanity. It is not. The United Nations was created to help implement The New World Order. The New World Order is the goal of these very wealthy families to take complete control of our world. Why don't you know this? Because they Instituted organizations like The CIA and THE FBI, which took control of our media, including the news. Every news organization is controlled. They are all Propaganda. Yes, it's difficult to believe...BUT, IT'S TRUE.

WHAT'S HAPPENING NOW IS THAT WE ARE FIGHTING TO DESTROY THE VERY POWERFUL, WORLDWIDE EVIL TO ESTABLISH GOODNESS. EVERYONE MUST JOIN THE FIGHT.

**From Velma Hagar, East Valley Chaplin...**

Slavery is highlighted as an American atrocity, and yet the civil war was fought to free the slaves is rarely ever mentioned. The military men who fought and died for their freedom is not even mentioned. Many of our white Ancestors were killed for defending the rights of slaves, and yet woke thinks we should award blacks money for their ancestors. What about our white ancestors? Do their lives not matter. "All lives matter." America needs to hear the whole story! History is being lied about. We only hear the negative story. America is the only country in the history of the world who is ever fought a Civil War to free slaves... Thank God for America!

## ...AND THE WINNER IS, MIKE JOHNSON FOR HOUSE SPEAKER

After three weeks without a Speaker of the House, Mike Johnson (R-LA) came out of nowhere and within 24 hours, won the nomination with 100% of the GOP House. After playing Eeny, Meeny, Miny and Moe, who will be the next speaker to go, the House finally got it "right." First, McCarthy had to go. He was too in "lock-step" with minority leader Hakeem Jefferies (D-NY) making backroom deals that were not in our best interest. McCarthy did not pursue subpoenas against the Bidens, CIA and FBI, and did not release the Jan. 6 tapes, as he promised when elected. He acquiesced to the Left on the budget deal and went along with the second continuing resolution (CR) giving up all control to the Left.

Matt Gaetz (R-FL) and the seven others who voted McCarthy out should be applauded for their bravery in going against all the House members. Gaetz was excoriated in the media, including Fox News. Newt Gingrich, Mark Levin and Trey Gowdy openly expressed their disgust, and the Left had a field day talking about our disorganization and what a mess we made by removing McCarthy. Many in our own party felt the same way. Along comes Steve Scalise (R-LA) and Jim Jordan (R-OH). Scalise would have been McCarthy 2.0. Jordan would have been an excellent choice. He is the second most popular Republican in the party. (I will give you one guess who is the first). Phone lines were lit up in congressional offices across the country with calls for Jordan as Speaker. Jordan, I believe, was too conservative for the moderates and RINO's in the House, and possibly considered too combative. Additionally, for some, not choosing Jim Jordan was payback to the "gang of eight" who voted out McCarthy. McCarthy openly endorsed both Scalise and Jordan while working behind the scenes to make sure neither would secure enough votes. His goal was to regain the speakership by showing the House members no one would be able to secure the votes to win the nomination.

Next came anti-MAGA Trump hater, Tom Emmer (R-MN). Emmer's views are closer to the Left, than Right, making him a worse choice than McCarthy. He called Trump (as did all nominees) seeking Trump's endorsement. "Tom Emmer scrambles to fix his Trump problem" Politico. Once Emmer gained the nomination, Trump was asked by a reporter what he thought about Emmer as the nominee, Trump responded "Emmer is finished." A few hours later, Emmer withdrew his nomination. There should be no doubt about who is still the head of the Republican party. Trump said on his Truth Social website "My strong SUGGESTION is to go with the leading candidate, Mike Johnson, and GET IT DONE, FAST!!! LOVE DJT." That afternoon, it was a unanimous vote for Johnson.

Mike Johnson is Jim Jordan in a jacket, with a smile and soft disposition. He is hard right, deeply religious, committed to the Constitution and a legal warrior. He is tough, determined to have fiscal responsibility and a big Trump supporter. Is he perfect, no. Will we agree with all he does, no. But he IS the best man for the job and he was worth the wait.

The **first item** on the Johnson's agenda, THE BORDER. AMERICA FIRST. WE MUST SECURE OUR OWN COUNTRY. "We cannot help our allies if we cannot help ourselves." **Second**, FUNDING FOR ISRAEL. Both parties agree on this. Ukraine, on the other hand, is going to be a big battle. Biden wants \$61 billion out of his \$106 billion foreign aid package to go to Ukraine. This is going to be met with fierce resistance from many on the Right. Our new Speaker will seek to "bifurcate" (separate/divide) Ukraine from Israel funding.

Biden has also asked for \$14 billion for border security. Let us not be fooled. This is not for border security. It is for faster processing of the illegal immigrants coming across the border. There is nothing in this foreign aid package that secures the border or curtails people coming across the border.

Many of you asked me the other night at our meeting with Sheriff Bianco, when I was going to be sending out my next commentary. I was flattered that some of you were interested. You may have been expecting me to write about the war in Israel and are wondering why I chose the House battle. There are several reasons.

**First**, I know some of you were among those who were embarrassed to be a Republican during this House fight. You felt it made us look foolish and disorganized and appear as if we did not know what we were doing. It is important you understand McCarthy's role in dragging out this process in an attempt to get re-elected. (<https://www.zerohedge.com/political/gaetz-says-johnson-speakership-proves-maga-ascendant-gop-swamp-run>). Politics are ugly and it is not easy to cut off the head of a snake.

**Second**, the House controls the purse. We have added \$600 billion dollars of debt in just one month. It is imperative we get control of the outrageous spending and Mike Johnson is the most conservative Speaker of the House we have ever had. This is a great victory for America.

**Third**, I wanted everyone to be proud of what our GOP members accomplished in the House and realize how important this victory is to our overall security, fiscal responsibility and victory in 2024. There is much work to be done and we are just getting started.

Your comments are always welcome.

## “The Russians are coming! The Russians are coming” Luncheon By Member Sunny Simonetti

No, the Russians didn't show up at the October 2nd luncheon in the beautiful Agua Caliente ballroom, but our two notable speakers, George Papadopoulos and his lovely wife Simona spoke of their involvement in the Russian hoax against President Trump.

George pointed out that “we cannot allow external forces to interfere in our elections ever again.” He added, “State

legislators are crucial to this, so be sure to elect state legislators who are committed to election integrity.”

During the Russian hoax fiasco, money was planted in George's suitcase, and he was ultimately arrested. This was when he had just began dating Simona. Not an auspicious beginning for a relationship, but George called Simona and asked her to come to the U.S. so he could explain what happened. Three FBI agents greeted Simona upon her arrival and as George stated, “The fix was in.”

Simona contributed at the luncheon that she “realized George was a winner because he stood his ground, even when they threatened to take away his freedom.”

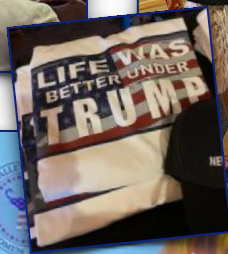

George said, “We came to recognize that we were dealing with a witch hunt, but in 2017 no one was thinking that way.” At the end of the discussions, Simona injected as to their defense of their past, “We don't want any glory, we only want to please God.”

Our other featured speaker was Igor Lopatonok who was born in the Ukrainian SSR, USSR and is known for his work as a documentary filmmaker - [Ukraine on Fire](#). Lopatonok came to the United States to make movies, and “felt at home among conservatives.” He emphasized that the Democrats “are using the Ukraine as a tool” for their own purposes.

On the lighter side, we all enjoyed the tremendous vocal ability of Christine Love and the meal which my husband pronounced, “the best salmon I've ever, ever had.”

See y'all in November!

## Learn to Read a Legislation Bill November 7 & 14 REGISTER TODAY!

Chairman of the legislation committee, Arlene Wohlgemuth, will be conducting training on November 7 and November 14 - 12:30 to 2:30 PM for anyone willing to pitch in on legislation research. **This training is for everyone** - for those of us who have never read a bill and have no idea how to navigate all the information available to those of us who are well acquainted with the legislative process and want to know more.

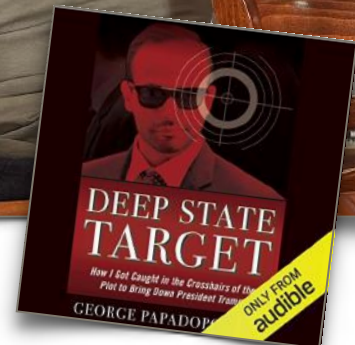

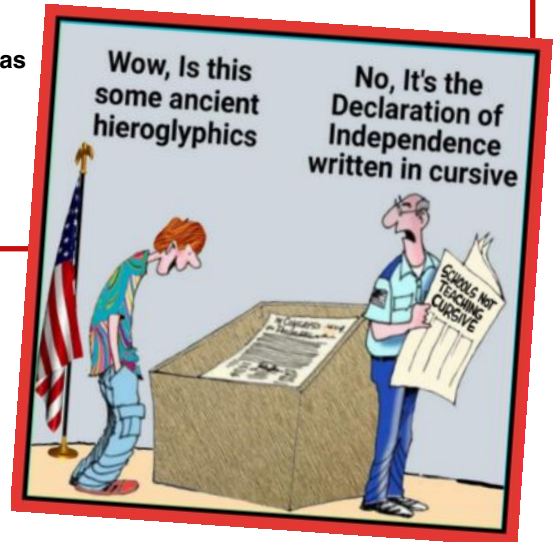

This is not only for our club. As East Valley Republican Women Patriots increasingly becomes the conservative leader for clubs across the state, we also become their source for accurate information. It is imperative that we keep ourselves well informed of what the legislature is passing, what action we should take, and how our elected representatives are voting.

The task is overwhelming for one person but definitely not with a team. Minimal writing is required with only one or two sentences describing a bill of interest. Your research will be done at your convenience and with mentoring available.

This is what we are all about - electing good men and women to office and then holding them accountable. We cannot do our duty as citizens if we do not know.

**CALL HEADQUARTERS TO REGISTER. (760) 771-9771.**

**Materials will be provided for those who register.**

**If you don't TAKE ACTION NOW, when will you?  
If it isn't YOU, who will it be?**

### Election Crime Bureau Plan on Voting

Mike Lindell

After the 2020 election was stolen, Mike Lindell became the face of securing election platforms in America. IN JUST 2 YEARS Mike has AMPLIFIED the previously unspoken controversial topic to being mainstream conversation. For the first time ever, a real national network has been created to save our country.

The Plan relies upon We the People. The Plan relies upon We the People being informed. The Plan relies upon We the People taking action. The Plan relies upon We the People holding elected officials, judges, and law enforcement accountable for their actions or inaction. All it takes is for Americans who love their country to honor the commitment of our Founders by dedicating themselves to a renewed commitment to freedom.

### STOP THE WAR ON CHILDREN!

Mom Army is a survivor-led organization whose mission statement is: "Activating and uniting a million Mama Bears and our allies in the battle to protect children and their innocence". We are mobilized to boldly bring awareness, advocate for positive change, and assert our parental rights. Mom Army's founder, Seak Smith, put out the following press release, announcing the nationwide protest against Balenciaga's sexual exploitation of children and exposing the celebrity and fashion world for their silence on the issue.

Smith told The Gateway Pundit, "The blatant sexual exploitation of children by Balenciaga is something we should all agree is abhorrent. We must be a society that protects children and their innocence. That is our mission with this nationwide silent protest, and as a survivor-led organization, that is our mission at MOM Army."

The grassroots are what give life to Heritage Action, the conservative movement, and to the country. When the conservative grassroots make their voices heard, elected officials can't help but take notice.
