Stay Tuned for Final Tally of Primary Election

Do You Know What "Ballot Curing" Is?

California has less than 12 days to learn the Primary Election results. Everyone has been asking who won in the Primary so we know who will be on the ballot November 5. The other California counties governor Gavin Newsom is "ballot curing". Riverside County voted him out of the being governor then why are we paying attention to him. It is because his "ballot curing" is being used for all the state counties. So what is "ballot curing". Ballot Curing is the process of going back to ballots that were rejected (no signatures, selecting more candidate options than appropriate, etc) to see if he can get Prop 1 passed. The problem is that he is only "ballot curing" registered Democrat ballots. [Click HERE](#) to see the related story from Politico. It is legal but completely unethical in our opinion. What's new with how this California Governor operates?

"California law does allow incorrect or missing signatures to be counted, or "cured," after a voter submits their ballot, but it's not typical for campaigns to go door-to-door correcting rejected ballots unless the margins are very close. Even then, it's more commonly seen in local or regional races.

Ballot initiative veteran Chris Lehman said Newsom was in a rare situation: staring down a close fight and having the financial might to fight past Election Day."

**Thank you to all of you who have donated to the USO!
Keep those CASH AND CHECK donations coming!**

EVRWP is no longer accepting toiletry items for the USO in Palm Springs. Instead, we are asking for cash donations so we can purchase the toiletries ourselves. That way, we can make sure we are getting the items that USO needs to fill the travel packs they put together for 29 Palms Marines traveling into and out of the PS airport. The donations can be made at our monthly luncheons where there is a Support the Troops table and donation jar or at headquarters. We appreciate any amount from a dollar on up. One very generous person made a \$100 donation at our last luncheon.

Thanks to donations, we were able to purchase nearly \$400 worth of items that we donated to USO in February. However, we have very few funds left. PLEASE DONATE.

"THE JOHNNY APPLESEED OF ELECTION INTEGRITY"

TUESDAY, APRIL 23, 2024, 10AM

DOUGLAS G. FRANK, PHD.

Dr. Frank is a world-renowned physicist. His PhD. is in surface-electroanalytical chemistry. However, since the end of December, 2020, Dr. Frank has been working incessantly for election reform with grassroots teams in over 48 states, earning the title of "The Johnny Appleseed of Election Integrity." Dr. Frank was featured in two of Mike Lindell's 2021 documentaries ("Scientific Proof" and "Absolute Interference") because he discovered several of the algorithms being employed to manipulate our elections.*

**Fun Fact: You've heard of "Bounty, the quicker picker upper?" Dr. Frank invented the machines that measure which towel is quicker.*

IT IS WITH THE HEAVIEST OF HEARTS THAT WE ACKNOWLEDGE THE PASSING OF OUR DEAR FRIEND AND STATESMAN, BRIAN NESTANDE. BRIAN'S RELATIONSHIP WITH OUR CLUB, EAST VALLEY REPUBLICAN WOMEN PATRIOTS, SPANNED THROUGH MANY YEARS AS HE TOOK ON POSITIONS IN THE REPUBLICAN PARTY, AND LATER AS AN EXPERT IN ALL HE LEARNED. HE WILL BE MISSED, HIS WORK WILL NOT BE FORGOTTEN, AND OUR HEARTS WILL NEVER EVER BE THE SAME AS WE WILL MISS HIM UNTIL WE STAND WITH HIM IN GOD'S HEAVEN.

JOY MIEDECKE
PRESIDENT

**From Velma Hagar,
East Valley Chaplin...**

We are not required to follow an evil ruler. Even though we are told that "Every authority is established by God." He establishes, and they have an obligation to stay within the perimeters of their Godly appointing. When they step out of those perimeters, we are no longer required to follow their rules. It is likened to a father, who is given the authority by God to be the head of a house, and he tells his children to rob a bank. We are not to submit to evil authorities! It is our duty to expose them. Do your part, and be sure and vote for Godly principles.

Donald J. Trump ✓

@realDonaldTrump · 12h

It is my great honor to be representing the Republican Party as its Presidential Nominee. Our Party is UNITED and STRONG, and fully understands that we are running against the Worst, Most Incompetent, Corrupt, and Destructive President in the History of the United States. Millions of people are invading our Country, many from prisons and mental institutions of other Countries. High Interest Rates and Inflation are choking our great middle class, and ALL, our Economy is bad, and our Stock Market is rising only because Polls are strongly indicating that we will WIN the Presidential Election of 2024. We are now, under Crooked Joe Biden, a Third World Nation, which uses the Injustice System to go after his political opponent, ME! But fear not, we will not fail, we will take back our once great Country, put AMERICA FIRST, and MAKE AMERICA GREAT AGAIN - GREATER THAN EVER BEFORE. November 5th will go down as the most important day in the history of our Country! GOD BLESS AMERICA

From Legislation Chairman Arlene Wohlgemuth...

I am pleased to share with you this information that I have long been trying to find. The name of it is Biblical Roadmap put out by Christians Engaged. They have taken the exact wording from the Democratic and Republican platforms along with Scripture and Marxist references. A full page is devoted to each issue covered. Take a look, and I think you will be as pleased as I am.

Use this QR code to see the one I requested that is specifically tailored for us in California. Printed copies will soon be available at headquarters and at the next luncheon for a donation to EVRWP of any amount.

The grassroots are what give life to Heritage Action, the conservative movement, and to the country. When the conservative grassroots make their voices heard, elected officials can't help but take notice.
